Commissioner of Police,

Sir;

An inquiry has been made to this office regarding the where-abouts of one Vincent Masson, who is reported to have left, or is expecting to leave, California for Shanghai.

The report indicates that he skipped out of California without paying rent and other bills. Also that he opened mail, taking money addressed to people other than himself, addressed to the place which he previously had rented.

If you should subsequently find that this man is in Shanghai, it will be greatly appreciated if you will inform this office.

Respectfully yours,

Edward L. Faupel
